Subject: Updates to Areawide Waste Treatment Management Plans

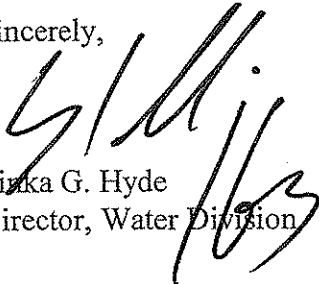

Dear Mr. Nally:

This letter is in response to the submittal of updates to the designated Areawide Waste Treatment Management Plans for six Areawide Planning Agencies. The updates have been incorporated into the State of Ohio's Water Quality Management Plan and were certified by Governor John Kasich on August 15, 2012. A list of those certified documents is enclosed for ready reference.

Pursuant to Clean Water Act sections 208, 303(e) and 40 C.F.R. Part 130, I am approving these updates.

I want to acknowledge the effort that preparation of these updates represents and I also recognize the continued cooperative work of our staff, which will result in enhanced water quality. Please contact me if you have any questions.

Sincerely,

Tizka G. Hyde
Director, Water Division

Attachment 1

List of Section 208 Plan Materials for Certification- Final May 2012

The six regional/areawide planning agencies listed below in **Table 1** have prepared and adopted, pursuant to their bylaws, the Section 208 plan updates described below. Ohio EPA is charged with reviewing these materials to ensure the following:

- The documents are consistent with basin plans;
- The documents (original plan and updates) cover the required planning elements; and
- The documents (plans) are consistent with one another.

Ohio EPA staff concluded the above criteria are satisfied. The following documents have been certified by the State of Ohio as an update to the Areawide Waste Treatment Management Plans prepared pursuant to Section 208 of the Clean Water Act and the State's Water Quality management Plan maintained pursuant to Section 303 of the Clean Water Act. These documents are on file with the Ohio EPA, Central Office, Division of Surface Water.
