The preparation of this report was financed through the Watershed Coordinator Grant Program provided through the Ohio Department of Natural Resources (ONDR) Division of Soil and Water Conservation, and with funds from NEFCO's dues-paying members.

**RESOLUTION OF THE GENERAL POLICY BOARD OF THE NORTHEAST OHIO
FOUR COUNTY REGIONAL PLANNING AND DEVELOPMENT ORGANIZATION
(NEFCO) APPROVING THE NIMISHILLEN CREEK WATERSHED - STATE ACTION
PLAN**

WHEREAS, NEFCO is the designated water quality management planning agency for Portage, Stark, Summit, and Wayne Counties; and

WHEREAS, NEFCO has been awarded the Upper Tuscarawas River Watershed Coordinator grant from the Ohio Department of Natural Resources (ODNR); and

WHEREAS, the Upper Tuscarawas River Watershed Coordinator grant work program calls for the completion of a watershed action plan for the Nimishillen Creek Watershed; and

WHEREAS, the action plan will be used to guide water quality improvement and protection efforts; and

WHEREAS, the action plan follows watershed planning guidelines set forth by the ODNR and the Ohio Environmental Protection Agency (Ohio EPA) making the watershed more competitive in attracting outside funding for watershed projects; and

WHEREAS, the plan has been reviewed by watershed stakeholders; and

WHEREAS, the NEFCO Environmental Resources Technical Advisory Committee (ERTAC) performed a technical review of this report and recommended approval,

NOW, THEREFORE, BE IT RESOLVED that the NEFCO General Policy Board approves the Nimishillen Creek Watershed - State Action Plan. Furthermore, the Board directs staff transmit this to the ODNR for endorsement.

Certified as action taken by the NEFCO
General Policy Board at its regular meeting
held on June 21, 2006

Warren Woolford, Secretary
NEFCO General Policy Board
